

WEX Norfolk 2021-22

Supporting work experience in
Norfolk's secondary schools

Developing Norfolk's
Future Workforce

An initiative supported by

Norfolk County Council

Work Experience Norfolk is a service offered by Norfolk County Council's Children's Services.

Our expert service and access to our employer database WEX Norfolk will help you to deliver an effective and efficient service for your students.

Do you want help in
designing and delivering
a work experience
programme for
your students?

Supporting you to help meet the requirements
of Gatsby benchmark 6

We offer:

- Support, training and guidance to help you deliver a service suitable to meet your student needs
- Student access to our portal to help encourage engagement and promote independent employer research

Need to save your time and staff costs?

- A simple, per student pricing structure
- Access to WEX Norfolk employer database for secure, real time data with advanced, powerful search facility and full tracking and audit history

Not sure what documents you need?

We offer:

- A range of useful documents for students, parents and employers
- WEX Norfolk website guides
- The ability to book and process requests for Health and Safety

All in one place!

To discuss your needs or to find out more about how we can help you contact the team: work.experience@norfolk.gov.uk
