One account. All of Google
working for you.

- 2 Enter your first and last name
- 3 Enter a password, type the password again to confirm it is accurate. **Choose a strong password** to keep your account protected. It is recommended that you use alternate characters and a combination of uppercase and lowercase letters.
- 4 Enter your phone number

The screenshot shows the Google account creation interface. At the top left is the Google logo. Below it is the heading 'Verify your phone number'. A sub-heading reads: 'For your security, Google wants to make sure it's really you. Google will send a text message with a 6-digit verification code. *Standard rates apply*'. To the right of the text is an illustration featuring a blue shield with a white padlock, a red balloon, a laptop displaying '****', a smartphone, and a birthday cake. Below the text and illustration is a form with a dropdown menu showing the UK flag, a text input field, and a blue 'NEXT' button. A 'Back' link is located to the left of the 'NEXT' button. At the bottom right of the form area, the text 'Your personal info is private & safe' is displayed.

- 5 You will receive a verification in a text message. Enter the code from the text message.
- 6 Next complete add a recovery email address, your birthday and gender and then click on next.
